

Sundance® Spas

Sundance Splash® Series

our promise to you

At Sundance® Spas, we think you should *do more* of what matters to you. With more than 40 years of experience crafting high quality spas, we take pride in helping people spend time meaningfully. So go ahead and relax more. Let your mind wander. Savor each and every moment. Celebrate life. Start your *#SundanceLife* today. You deserve it.

As the most innovative spa company, we've created the Sundance Splash® Series to bring more *families together*. Boasting the best affordable solution without sacrificing what's important, these spas open the door for everyone to make *family time* part of your daily routine.

built with you in mind™

Syncrylic® Material

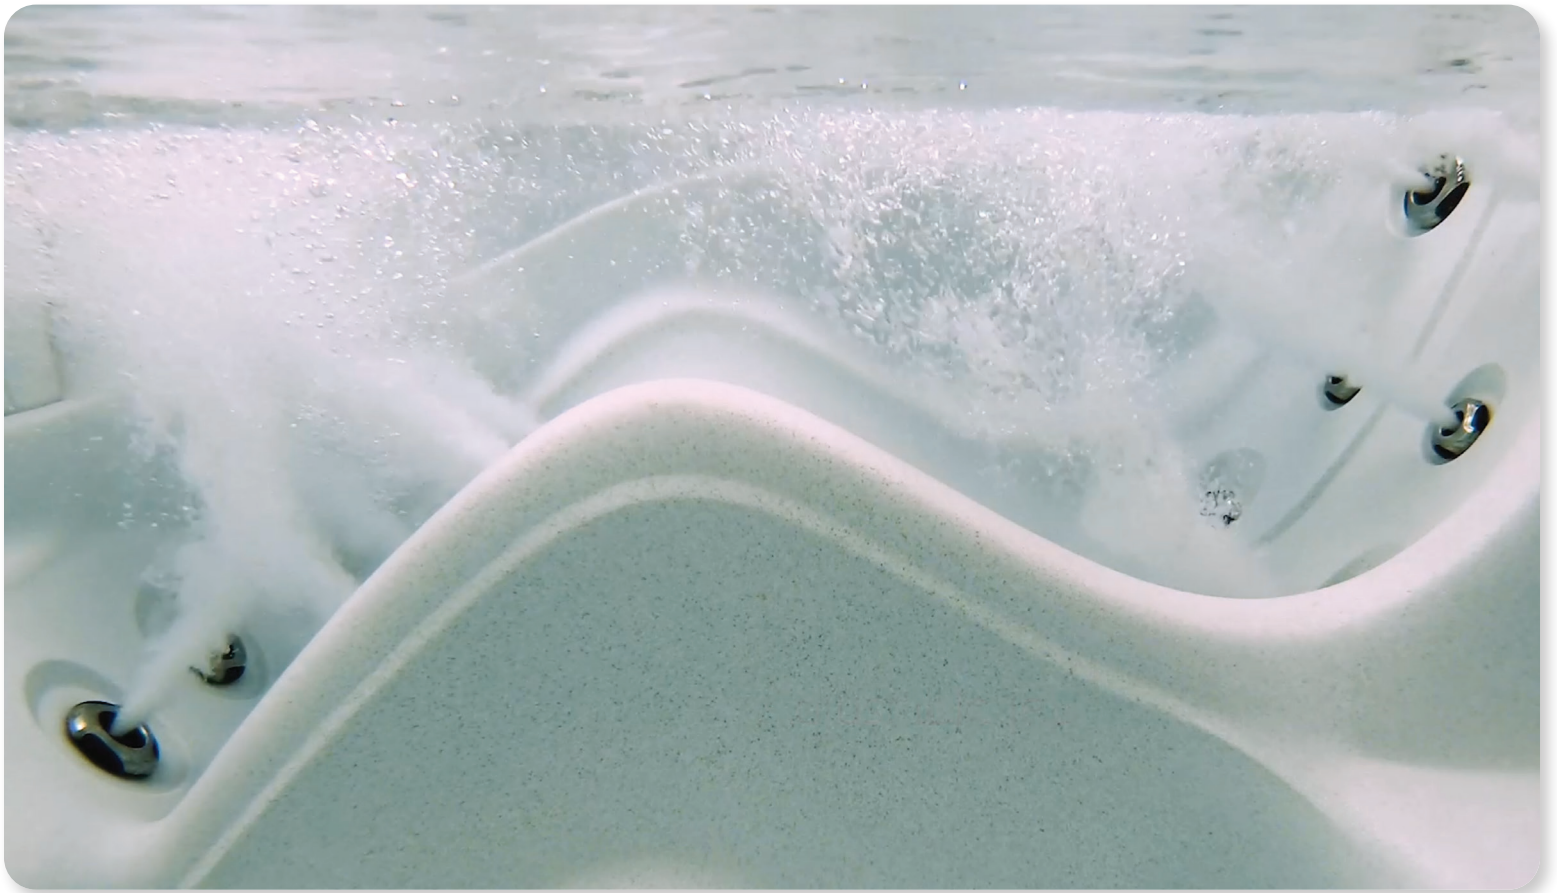

Strong, durable patented material.

Premium Touches

Enhanced relaxation and style with easy-to-adjust two-toned jets, stainless steel details, LED lighting, soothing waterfall, and comfortable pillows.

Plug n' Play

Our 120V spas are easy to plug in, fill and enjoy; simply use existing electrical outlets without the need of an electrician.

Quality Construction

Patented Syncrylic® material with unibody construction and full foam insulation offer efficiency and durability.

Easy Maintenance

From patented, simple filtration to wear-resistant surfaces, this spa is easy to care for so you can spend more time relaxing.

sharing relaxation with every family
